Car thief is burglar too!

An Antioch juvenile has confessed to the theft of three cars and the burglarizing of one home and a car agency in the area.

According to Antioch Police Chief Chuck Miller, Officer Bert Metz, of the Antioch Police sighted a car on Monday, Feb. 2, that

had been reported on Feb. 1, as being stolen from Pittman Pontiac.

When Metz stopped the car the youth that was driving ran, but was apprehended.

Further questioning revealed that he had (Continued on Page 2)

Government cuts Schools may hike their lunch prices

With President Reagan cutting the government subsidy 2.5 cents per lunch for the nation's school lunch program in schools that have less than 60 percent of their students purchasing reduced lunches or getting free ones, some of Antioch schools say they may be forced into raising the price of the student's lunches.

Superintendent Warren Polley of Antioch Community High School says that nothing will happen until after the next school board meeting on Feb. 19.

"We'll take a look at where we are and find out what it really amounts to," says Polley.

Richard Hogan, superintendent of Grass Lake School says that he intends to recommend a raise in lunch prices at the Tuesday, Feb. 10, board meeting.

"We haven't much choice," he says, "everyone has to take part in President Reagan's cuts and I guess we'll have to also."

Superintendent Donald Skidmore of Antioch Grade School District 34, which includes Antioch Upper and Lower Grade Schools, W. C. Petty School and Oakland Grade School, says, "Definitely not right now."

Skidmore says that he intends to struggle through the rest of the school year with the present lunch prices but, since the school is already losing more than a penny on each of the 15,000 cartons of milk that are used in the district's schools each month, he is asking the school board to raise the price of milk, from five to seven cents, at the Feb. 17 meeting.

Three run for mayor on their records

Antioch's April election will be unique in that the voters of the village will have the opportunity of judging three of the six mayoral candidates on their past performances in the same office that they are running for.

In 1965 Ray Toft was elected to Antioch's

top post because he promised the people responsibility in government.

He also vowed to keep a watchdog eye on the taxpayers' money and to see that every member of the board was informed on everything pertaining to village business.

It's up to the voters to take a look at Toft's record and decide if his performance during his two administrations were responsible, financially frugal ones; wherein his board members were always kept up to date.

And if so, if this is the kind of village administration needed in 1981.

Toft says that these are practically the (Continued on Page 2)

Anyone interested in having their three to five year old in the Monday-Wednesday sessions should call the Parks office between 9 a.m. and 4:30 p.m., Monday through Friday and Saturdays, 9 a.m. to noon.

If you have any questions about the way that the camp is run, you will be able to sit in on a class at anytime.

If inflation is really getting you down, save your money for Antioch's Dollar Days, coming soon!

Here's hoping everyone in Antioch gets their own special Valentine.

Village, County meet to plan

According to Wayne Solonen, head of the Antioch Planning Commission, at the Thursday, Feb. 5 meeting, the Lake County Planning Commission met with them for the fourth time concerning the Lake County Comprehensive Plan.

The Comprehensive Plan is a guide to the future growth of Lake County and the individual communities, specifying where high and low density population is preferred.

The county, in the four meetings, was looking for local input to the plan.

Both sides exchanged their ideas, Antioch adding such things in the residential classifications as the annexed Petersen property.

Compromises were made on the part of both commissions and after some changes, many requested by the Antioch Planning Commission, the county is expected to have a completed, corrected map of the entire Lake County Comprehensive Plan in approximately two months.

stolen another car, from the area of the Antioch High School on Jan. 23, later abandoning it in the Cross Lake area, where it was recovered by the Antioch Police Dept. on Jan. 24.

He also admitted stealing another car from Oakwood Knolls on Saturday, Jan. 31, while it was running in a driveway.

Driving this car to Pittman Pontiac, he left it there, breaking into the building and after

stealing the keys, took the Trans Am that he was caught driving.

Further investigation drew an additional admission of a house burglary on the north end of Antioch, on Jan. 13.

The Antioch Police have filed papers with the Lake County Juvenile Justice, that charge the juvenile with three auto thefts, one house burglary and one commercial break-in.

Mayorial candidates

same reasons that he is running for his old job again.

"I am concerned about the amount of money the village is spending and I also don't think that the present administration is listening to the people and letting them know what is going on," he says.

In 1973, Robert Wilton won the mayoral spot from Toft, garnering twice as many votes by promising the village residents community growth; improved garbage pick-up; more federal and state funding; better park, playground and recreational facilities; industrial growth, street improvements; flood control and better parking in the commercial district.

How many of these things were accomplished by 1977, when Wilton, who chose not to run again, endorsed one of his trustees, Michael Haley, to take over the top spot, by saying, "Mike is dedicated to the people of the village."

About the endorsement of his opponent in this year's election, Wilton says, "I thought that he was the best candidate for mayor at the time, but he has not lived up to my expectations. In the past four years there has been absolutely no communication between the village board and the residents or the business community and the community organizations in Antioch."

In 1977, Haley defeated two of his 1981 opponents, Toft and Henry Gillman, by promising effective use of the taxpayers' money; expanded park activity; further improvements in the sewer system; additional federal and state funding to use to the best advantage of the village.

Haley also advocated working with the business community towards the improvement of parking and traffic.

In outlining the spending of taxpayers' money, Haley says that the money that comes to the general corporate fund from the real estate taxes, barely pays the annual insurance premium of the village.

He then lists specific expenditures during his administration, paid for by different funds, grants etc., ultimately paid for by the taxpayer, that he feels were "in the best interest of the village."

Although some members of the business community, in particular the board of the Chamber of Commerce, claim that the present administration has not been working with them as of late, Haley counter-claims that the present administration has a track record of listening to the people, pointing at the rescinding of the ordinance giving the next mayor a \$28,000 salary, and the board's backing off on the use of Industrial Revenue Bonds, to bring a commercial complex to the north end of town.

The two things that all three mayors have had on their agenda, that have not materialized from 1965 to 1981, are additional parking on the east side of Main St. and the building of Senior Citizen housing in the village.

In the next few weeks, we will attempt to go into what these candidates have accomplished in office in further detail, as well as what they, and the other three candidates, Bruce Jablonski, Phil Burke and Henry Gillman and they intend to do if elected on the April 7th ballot.

The voters should also decide which candidate will not only maintain a high standard of living in Antioch, but which one will best help the progression of the village, since nothing stands still, it either goes forward or regresses.

Scouts sell cookies

The light and tender short-bread cookie that melts in your mouth, the traditional Girl Scout cookie, is one of seven varieties being sold by the Lakeview Girl Scout Council to raise 1981 operating funds.

The cookie sale is the main fund raising activity of the Girl Scouts and supports most of its activities, said Nancy McInnis, cookie chairperson.

Girl Scouts will be taking orders through Feb. 13, so that anyone wanting cookies not yet contacted by a Girl Scout is urged to place their order by calling a local troop. Cookies also will be

sold in March in several booths located in high density foot traffic areas as shopping centers and downtown areas.

The money goes to support the Girl Scouts engaged in Brownie, Junior, Cadette and Senior programs which includes funding camping, teaching, training of leaders, community involvement and other activities. It was emphasized that without a successful cookie sale the Girl Scout program cannot function to its fullest.

More information on the cookie sale is available by calling Catherine Loisel at the Girl Scout office at 367-5750.

50 YEARS AGO: FEBRUARY 12, 1931

Antioch township's political pot has begun to simmer in earnest this week with the announcement that Justice William H. Regan has definitely decided to enter the contest for supervisor. Three aspirants are now in the field, avowed and full-fledged candidates for the town's most important office. William A. Rosing and Joseph C. James are the other two previously announced candidates.

Under the efficient general charge of Mrs. P.E. Chinn, president of the P.T.A., preparations for the big dual production of "Treasure Island" and "The Knave of Hearts" got under way with a big bang. Mrs. Chinn, assisted by Mrs. John Brogan, are handling the programs and advertising. Miss Alice Warner, assisted by Mrs. Fred Hackett, Mrs. Ben Burke and Mrs. Lester Osmond, constitutes the costume committee. Mrs. Mildred Byrne and Mrs. Fred Hawkins are attending to the properties. Mrs. Marguerite Kreger Phillips is directing rehearsals.

A donation of \$2 toward the Antioch Community Chest fund from T.J. Knott is gratefully acknowledged by the committee.

Miss Elizabeth Webb is still indisposed, following an extended illness of Influenza.

Oakland School was closed last week, as Miss Madalyn Sheehan, the teacher, was ill with the flu.

William Walker, Jr., sustained a broken right arm last Saturday, when he was cranking his Ford.

The town team just couldn't put it over last night when they attempted to toss more baskets than the strong Grayslake Merchants at the tournament which is being held at Fox Lake this week for town teams. They experienced the ignominy of a trimming by 30 points, 48-18.

"Little Caesar," the new First National picture now showing at the Kenosha Theatre stars Edward G. Robinson as a gangster named Rico. With Mr. Robinson are Douglas Fairbanks, Jr., Sidney Blackmer, Ralph Ince, William Collier, Jr., Glenda Farrell, Thomas Jackson and George E. Stone.

30 YEARS AGO: FEBRUARY 8, 1951

The village board was notified this week by Dr. B.J. Corbin that he is accepting its offer of \$1,950.78 in settlement of his claim for money due in payment for assessment bonds and compound interest. Thus, a controversy that has lasted since 1933 is brought to an end. The village has had the money and has been willing to redeem the bonds these many years, but could never arrive at a figure that the bondholder could agree upon.

J.F. Woolner is subscribing to the Antioch News for his forty-eighth year. A garden and caretaker of summer estates, Mr. Woolner has lived in this area for more than half a century. He and his wife live at Channel Lake.

Antioch High School's basketball team will go to the regional tournament this year instead of battling through a district contest. The regional winners will play at a sectional contest and the 16-team final will be at Champaign.

Postmaster Roy I. Kufalk reminds patrons of the rural carrier service that the snow must be cleared from the approaches to mailboxes.

Robert McClory, Larson appeared before the full Court of Nine Justices, in Washington, D.C. on Jan. 25 and was then sworn in by Chief Justice Warren Burger.

Miss Diane Lynn Jensen of Crooked Lake Oaks received a cap or chevron from Lutheran Hospital School for Nurses.

Carole applauds Cub Scouts

By CAROLE RISK

One of the nicest ways a little boy can spend some of his time and energy is to join the Scouts. So much work and talent is donated by the adults who are involved.

A boy must be eight years of age or in third grade to join, as the boys turn 10 or are in fifth grade they become Webelos.

The kids meet once a week with a den mother to work on various projects or to go on an outing.

Once a month there is a pack meeting of all the dens and patches for achievements are handed out.

Each den takes a turn providing entertainment. There are several special occasions throughout the year, right now, everybody in Cub Scouts and Webelos are working hard to be ready for the annual Blue and Gold banquet, which is to be held at Antioch High, on Feb. 22.

Each den brings part of the dinner and the State Bank of Antioch donates all the meat and bread.

Also through the bank's kindness, each boy receives a gift as a memento of the day. The Blue and Gold Banquet is a very nice day for a boy and his family.

making all this possible are Webelos leader-Rodger Sheahan-Cubmaster; Steve Kohler, Awards Chairman; Joanne Aschbacher, Den Leader Coach; Barb Westlund, the den mothers. Den 1, Billy Horton, Den 2, Bonnie Hugh, Den 3, Leona Campbell, Den 5, Charlene Jozifiak, Den 7, Janet McPhee and Den 8, Diane Barr.

The great thing about Scouts is that a boy doesn't have to be a super catcher, hitter, quarterback or receiver.

He doesn't have to be anything except a boy. There is a place for every youngster in Scouts.

THE SENIOR Citizens Center is planning a Valentines Day Party on Feb. 13.

The party will begin at 1 p.m. after the daily lunch is served.

The seniors will be electing a Valentine queen and escort with a accompanying court and their escorts.

There will be entertainment and refreshments, for a reservation call Carol Easley 395-7120.

YOU have to wonder how many people had their schedules thrown off by the new RTA arrivals and departures, the information was not available until late Friday, with the changes going into effect Monday.

If you called the toll-free 800 number for the RTA you were told that the information regarding Antioch might be available by Sunday night.

AFTER reading the column on maturity in last week's Antioch News it brought to mind an old Ann Lander's column where she quotes an essay by W.L. Phelps, a famous educator and literary critic.

The part that was so eye-catching was "to say that youth is happier than maturity is like saying the view from the bottom of the tower is better than the view from the top, as we ascend our views widen, finally as we reach the summit it is as if we had the world at our feet."

What a nice way to put things in perspective.

March of Dimes

The March of Dimes campaign will be run in Antioch during the week of Feb. 8 through the 15. Jean Morris is the local March of Dimes chairman.

Band Festival slated

A celebration of the hostages free again and a display of schools from Illinois and Wisconsin working together, marks next week's Second Annual Antioch Grade School Band Festival.

Next Friday evening, Feb. 13, at 7:30 p.m. at the Antioch High School, over 450 junior high band members from eight area schools will be performing patriotic and popular music you will surely enjoy.

The Antioch Band Festival, sponsored by the Antioch Grade School Band Parents, has the following schools adding their bands to form this huge concert performance: Salem Grade School, Lakewood School (Twin Lakes), Randall School (Randall Township, WI), Faith Lutheran (Antioch), Emmons Grade School, Grass Lake School, Lake Villa Intermediate, and Antioch Grade School Bands.

Director again this year is Mr. Michael Leckrone, director of bands at the University of Wisconsin in Madison.

After doing such a fine job directing last years festival, Mr. Leckrone has accepted to head this weeks' festival.

Music for Friday's concert will include such popular numbers as "We're Together," "Spiritual Rock," "Rocko Poco," classic songs such as the "Selections from '1812 Overture'" and the "William Tell Overture."

The concert will also include the National Anthem performed by one of the largest bands you will ever see and the festival will be ended with the patriotic "America The Beautiful".

Don't miss the Second Annual Antioch-Grade School Band Festival on Friday, Feb. 13 at 7:30 p.m. at the Antioch High School.

Donation is 50 cents and all preschoolers and senior citizens are free.

Township tax ceilings to be on April ballot

There will be two tax levy ceiling cuts referendums on the April 7 Antioch Township ballot.

Originally a tax revolt group, headed by Claudette Skvarce turned in petitions requesting tax levy ceiling cuts in three areas, that of the general assistance fund, the road and bridge and the corporate tax funds.

For awhile there seemed to be confusion as to whether or not the petitions, that were filed by the tax revolt group, were valid, because of the number of signatures they contained.

THE CONFUSION stemmed from the fact that the number of signatures contained on the petitions was based on five percent of the last township election and Township Attorney Raymond De Martini protested that there were not enough signatures based on five percent of the last general election on Nov. 4.

On Jan. 27 an electorate board, composed of Township Supervisor Jim Fields, Township Clerk Richard Harland and Township Trustee Irving Walsh, met to determine the validity of the petitions and on Jan. 30, the township board, gave the okay for two of the three petitions.

ON THE BALLOT will be a referendum to lower the tax cut levy ceiling on roads and bridges and also on the corporate tax, both by 25 percent.

The lowering of the tax levy ceiling on

general assistance fund will not be allowed by the township board because the township would lose matching state funds if the levy is lowered below \$.10 per \$100 assessed evaluation.

The Antioch Township Board said that they will not support or oppose the referendums and Skvarce was satisfied, not only with the board's final decision, but also with the way the board had arrived at it, especially since it negated the need for legal steps.

"The purpose of the referendums is to lower government spending, not to increase spending with litigation," said Skvarce.

Trustee David Heath said "People should know that even if the referendums pass, their taxes will not be lowered.

The corporate fund ceiling will be lowered to \$.19 per \$100 of assessed value and the road and bridge fund ceiling will be lowered from \$.25 per \$100 of assessed value to \$.094 per \$100 of assessed value, if the referendums are passed.

The road and bridge levy is now at \$.1022 per \$100 of assessed evaluation, but if the ceiling is lowered by 25 percent, the levy will be lowered while the corporate fund levy is \$.10 per \$100 of assessed evaluation.

According to Township Supervisor Fields the road and bridge amount levy could be increased if the maintenance of the township roads called for it, as decided by the road commissioner.

The players in the comedy will be Jim Bishop of Round Lake as Oliver Walling, Carla Stenson of Arbor Vista as Martha Walling, Frank DiMoarco of Zion as Henry Gaxton, Tom Bennett of Round Lake as George Stoddard, Paul Beemsterboer of Grayslake as Anthony Roberti, Tim Holt of Wildwood as Stuart Stoddard, Sid

Groner of Highland Lake as Mr. Beal, Beverly Palmburg of Libertyville as Mrs. Stoddard, Roslyn Trusky of Winthrop Harbor as Eileen Stoddard, and Dawn Champlay of Antioch as Letty Gaxton.

The comedy will be presented on March 6, 7, 13, and 14 at Avon Center School auditorium. Curtain time for all performances will be 8:15 p.m.

Director Lou Jones reports things are going well. Arrangements have been made for the costumes and the set is under construction.

'Bullshot Crummond' to be Antioch's theatrical valentine

"Bullshot Crummond," the long-awaited detective comedy, opens this Saturday night, Feb. 14, at the PM&L Theater, 877 Main Street in Antioch.

After that first performance, there will be subsequent presentations on Friday and Saturday nights, Feb. 20, 21, 27 and 28.

Also, there will be a matinee on Sunday afternoon, Feb. 22. The curtain will rise at 8:30 p.m. for the evening shows and 2:30 p.m. for the Sunday matinee.

This year, PM&L Season 20, marks the first time the theater group is offering matinee performances of all the plays scheduled. This innovation is becoming a popular feature, appreciated especially by the many theatergoers who have not found it possible or convenient to come to shows on Friday and Saturday nights.

Ken Smouse directs the PM&L production, essentially a spoof of Bulldog Crummond, the indestructible British sleuth of another time, "Bullshot Crummond" is a delightfully offbeat comedy.

Billed as a parody of an old-time low-budget movie, this is not a low-budget play. As everybody knows, PM&L shows have big

budgets in general, but "Bullshot Crummond" tops most of them with such onstage spectacles as costly airplane and automobile crashes.

The PM&L cast features such talented players as Bruce Stamm of Round Lake Beach as Bullshot Crummond himself; Don Beveroth, Paddock Lake, as the reprehensible Otto Von Brunno; Kris Ann Miller, Antioch, as Rosemary Fenton, the delicate heroine; Gloria Stewart, McHenry, as the up-to-no-good Lenya Von Brunno; and Keith Noehm, Antioch, as just about everybody else in the show.

As you can see, "Bullshot Crummond" is a delightful comedy sure to play to packed houses. If you have not already made your reservations to see this show, you have no time to lose in doing so. Call 395-3055 for reservations.

Service at this PM&L number has recently been put on a professional basis and strengthened, and your requests will be acted upon promptly. Remember to be at the PM&L box office by 8:15 p.m. on the night, or 2:15 p.m. on the afternoon, you plan to see the play.

"BULLSHOT CRUMMOND" OPENS — Left, Don Beveroth, Paddock Lake, as Otto Von Bruno, the second most evil man in Europe, Gloria Stewart, McHenry, as his evil mistress and seated Keith Boehm, Antioch, as Professor Rupert Fenton, will star in this weekend's opening of "Bullshot Crummond" at the PM&L Theater, Main St., Antioch.

A woman's place

Along the way with ANNIE MAE

Old Annie Mae would like to send a few Valentines to some of Antioch's well-known citizens.

To mayoral candidate Bob Wiliton: Loved receiving your Valentine letter, but a dozen roses would have been better.

To Mayor Mike Haley: Don't take everything to heart and maybe the doctor will eliminate the fourth part.

To Andy Bernhardt: For no other reason than the fact that the last part of his name is really in season.

To Laddie Korecek: Just on general "principle" because I'm "interest"ed in being your Valentine "Now."

To Jim Fields: I'm sorry that the News was misunderstood, be our Valentine and we'll try and be good.

To Paul Maginot: Roses are red, violets are blue, my feeling are "deep" (all six feet of them) for you.

To the town of Antioch: For you my heart strings are unturled, for you're the nicest people in the world.

It funny to look back and find out how predictions turn out.

I was looking at one of my columns from 1965 where I predicted that the PM&L Players were about to lose their home in the theater on Main St. because of high overhead costs.

Here it is, 15 years later and the group is still in the same spot, having never been more active.

It was that same year that I introduced the smiling new face at the village hall as belonging to Marilyn Sterbenz.

And Marilyn too is still going strong.

Don't forget to get your ballot in on the nominations for Antioch's 13th V.I.P.

Voting will be closed on Feb. 16.

The winner will be honored at a dinner dance at St. Peter's Social Center, Saturday, March 28.

I heard that there was going to be a lingerie show at Antioch's basketball game last Tuesday and was relieved to see that it was just the darling Sequoit cheerleaders doing a routine in their PJs, carrying pillows.

As if the utility bills aren't high enough this time of the year, I hear that the computers belonging to the electric company have been making bloopers that could lead to heart attacks.

One person got an electric bill for \$8,000, another who had a three room home, reported that he received a bill for \$1500.

Congratulations to Michael Ware who is on the Dean's List at the University of Wisconsin-Parkside and also to Tom Stroschein, son of Mr. and Mrs. Frank Stroschein, who is also on the Dean's Honor List at Marquette University, Milwaukee, Wis.

Earl "Scotty" Lowe, governor of Antioch's L.O.O.M. Moose Lodge is excited about the way their Oktoberfest is progressing, giving a lot of credit to the project's chairman, Jim Horton.

The News got a call the other day from an irate Antioch Post Office user who agreed with Phil Burke's opinion of the Antioch Post Office's service.

She seemed especially angry, making the claim that the Antioch Postmaster does not know enough about Antioch and its people.

Cheri Lane is appearing in "The Member of the Wedding" at the Allen Theater, University of Illinois.

Other Dean's List achievers are Michele Blanchette and Gregory Mietre, both attending Southern Illinois University, Carbondale.

If the editorial staff of the CLC Chronicle so strongly believe that Wisconsin should either raise its drinking age to match Illinois or else honor Illinois' drinking age for Illinois residents, why don't they refuse the advertising for the teenage bars that run in their paper.

Speaking of enticing Illinois teens towards danger, I thought that the huge story in Friday's Chicago Sun Times, enticing this state's youth to cross the state line for their drinking parties, playing up the teen oriented bars in Wisconsin, must have been either written by a person with less maturity than the teens that are playing Bi State Bingo or else, maybe some advertising dollars are behind it.

Medical committee meets

The Emergency Medical Service/Mobile Intensive Care System Advisory Committee held its first meeting of the new year recently and among other things discussed the Illinois Emergency Medical Technician Act established in December, which provides for an intermediate level of EMT.

This advisory committee is comprised of representatives from Victory Memorial and St. Therese Hospitals, as well as paramedics from the participating rescue services.

They are: Chief David Heath, Antioch Rescue Squad; William Carew, Lake Villa Rescue Squad; Lt. Howard Parks, Waukegan Fire Department; David Myers, Safeway Ambulance Service; Chief Robert Sandahl, North Chicago Fire Department.

When I think about it

Let these people go

by GLORIA DAVIS

After more than a year, Iran has freed the hostages but the American media doesn't seem to want to do the same.

It would be difficult to find any caring person who didn't rejoice for the hostages themselves and their friends and families, when these unfortunate 52 victims finally landed in the good old U.S.A.

But victims is what these people were, not the heroes that the tv newscasters and newspaper reporters have tried to create for the sake of exciting copy.

According to my trusty Funk and Wagnall, a hero is one who has displayed great courage and is distinguished for valor, fortitude and bold enterprise above and beyond the call of duty.

These unlucky people were in the wrong place at the wrong time and suffered the elongated, unnerving and uncomfortable consequences of a bunch of radicals, a government in revolt and a weak, insecure, faltering commander in chief who was unable to handle the situation.

The Americans that fought and froze at Bunker Hill were heroes; the soldiers from the North and South that battled and died at Gettysburg were heroes; as were the ones at Iwo Jima, Guadalcanal and Bastogne.

The firemen who tried to save the children in the inferno of the Queens of Angels School were heroes, the young boy who dove into icy waters, to save a stranger that was drowning, is a hero.

Decorating program set

The Antioch Woman's Club met on Feb. 2 in the Community Room of the State Bank of Antioch. The club was welcomed by the bank to their new meeting place.

The program was "Tails of the South Pacific" by David Waud. It was very fascinating to see slides of the coral reefs and different species of fish below sea level in Australia.

There were slides on some of the cities and the different animals. Australia is a most interesting country.

The hostesses for the day were Caroline Costoff, Carol Jester, Betty Anderson, Kay Costoff, Ardis Anzinger, Ruth White,

The Bank's "Silver Bonus Days" promotion attracted more than 10 thousand participants and ran throughout the month of January. In addition to a grand prize 100-troy ounce silver bar, there were daily winners picked who won one-troy ounce silver mini-bars, valued at approximately \$18. Also anyone opening a State Bank "Bonus NOW Account" or "Preferred Savings Account" received a genuine silver half-dollar, valued at approximately \$6.

The soldiers that attacked and re-attacked and then assaulted the same Viet Cong held village during the Viet Nam war were heroes.

The Viet Nam vets, the ones that didn't go to Canada, who came home maimed for life are heroes, even though some of them have been made to feel ashamed of the fact that they fought in this "unpopular" war.

None of these received the acclaim awarded the hostages.

The media has bled and re-bled the story of the hostages and now, just in case they are all as healthy as they seem to be, mentally and physically, these same newsmongers may end up convincing them that they are having a hard time adjusting, despite the fact that they may be able to handle their return to freedom with comparative ease.

None of us really know what went on during those long days of captivity, but I'm sure it won't be long before we do, in minute by minute accounts via Hollywood, or a tv mini series or a dozen or so books.

We will most probably be treated to all three. Again some of it will be interesting, too much of it will not.

We owe the ex-hostages a warm welcome home and the ticker tape parades are fine, but free them and let them get on with their private lives privately. Free the American public from a rehash of the rehash.

I feel I must join with columnist Mike Roico in his cry of "Untie the yellow ribbons!" enough of a bad thing is enough.

Mildred Walther, Irene Williams, Clara DuPere, and Edith Elms.

The next meeting will be held in the Community Room of the State Bank of Antioch on Feb. 16, at 1 p.m.

The program will be "Decorating Den on Wheels". Elsyann Huston will bring new ideas on decorating.

VILLAGE PROHIBITS

The Village of Antioch stands to make approximately \$5,000 a year from a cable tv franchise if the percentage of homes that subscribe to the system and the amount of advertising sold is the same as in the other areas that subscribe to U.S. Cable Tv.

St. Ignatius dedicates new pipe organ Feb. 22

St. Ignatius Episcopal Church, 983 Main Street, Antioch, Illinois will dedicate a new pipe organ at 4:30 p.m. on Sunday, Feb. 22. The dedication will be placed in the context of a Solemn Evensong with The Reverend Theodore A. Bessette, rector, as officiant. Invited clergy will assist at the service and The Reverend Allen Willborn of Chicago will be the guest preacher.

Music at the service will be provided by the combined choirs of St. Ignatius Church and the Aldersgate United Methodist Church of Wheaton, Illinois, under the direction of David McCain, organist and choirmaster of St. Ignatius. Timothy Smith, a student at Wheaton College and organist/choirmaster of the Aldersgate Methodist Church will accompany the service at the console of the pipe organ.

Immediately following the service, organist James Frey of Ann Arbor, Michigan will provide a brief, but comprehensive recital of organ music, chosen especially to illustrate the varied resources of the church's organ.

The new organ at St. Ignatius replaces an older, turn-of-the-century pipe organ which, while having a delightful tone, had not received adequate care and was found to be in desperate need of extensive repair. Concurrent with the decision by the church that the old organ should be replaced, an offer was received from an individual in Brazil to purchase the old organ. The church's acceptance of this offer provided a financial basis for the purchase of a newer organ from an individual in South Bend, Indiana.

Prior to Thanksgiving Day, 1980, the old organ was professionally removed by a downstate Illinois firm, hired by the organ's purchaser. Immediately thereafter, the work of installing the new organ was begun by members of St. Ignatius Church. Countless hours of work went into this project with many people

volunteering long evening and weekend hours after having worked at their regular jobs. But within less than one month from the time the old organ had been removed, the new organ was

fully erected and made playable for initial use on Christmas Eve, 1980. The sound of this organ provides weekly assurance to the church members that their labor and sacrifice is not

without reward.

The design and layout of the organ, with the organ pipes exposed in a functional display, and the new and integral choir area, was created by David McCain,

the church's organist/choirmaster. The tonal voicing and finishing, rendering the sound of the organ compatible with the church's requirements, was completed by Robert L. David

and Associates of Chicago.

The public is cordially invited to attend the Dedication Service and recital, and a reception which all will be provided at the conclusion.

Drive successful

St. Peter's Church held their annual Red Cross Blood Drive January 24. The quota to be met was 220 pints.

This blood helped to alleviate the need for blood during the cold winter months when donors seem hard to get.

Between 9 and 3 p.m. the Red Cross successfully drew 258 pints.

A tremendous thank you to the callers and those who helped process the donors during the day.

We are especially grateful to the donors who took an hour out of the beautiful spring day to donate that precious gift.

Sequoit varsity

Faces double header

The Antioch Sequoit varsity basketball team put another notch in their belts on the way to what they hope is, the conference championship, when they took the Grayslake Rams by a whopping 63-32, on Tuesday, Feb. 3, in front of a good week-night audience.

John Ploss and Dee Maras, no strangers to the lead scoring columns, led with Ploss marking down 17 points and Maras close behind with 16.

Pete Weber scored 10 points, eight of those showing 100 percent marksmanship at the free throw line.

The Sequoits, who were moving a little slowly at the game's start, led none the less by more than a double score at half time, 26-12.

But in the second half they were on the move and led at the end of the third quarter 43-18.

Antioch scored another 20 points in the last quarter to make the final score 63-32.

Coach Roger Andrews said that Grayslake did a good job in the first half of the game

with a deliberate slow style of offensive playing.

He added that the Sequoit's second-half defensive aggressiveness helped to open up the game for Antioch.

The Sequoits face a big double-header weekend, traveling to Wauconda Friday, Feb. 13, and then returning home to host Warren on Saturday.

The twin conference clashes will be important ones in the Sequoits' title race, but both have Coach Roger Andrews concerned.

While Wauconda has struggled this season, they have been mounting some offense lately. But the big concern in the home game against Warren's Blue Devils.

The game is being billed as Parents Night and while Andrews hopes that the Parents Night program will serve to give his team a boost, he is also concerned that it could do the same for Warren.

"It could be a psychological boost either way," he noted.

CHEERFUL ROCK-A-BYE — Sequoit cheerleaders play a little "Pajama Game" at game against Grayslake Rams.
